PROBLEM SOLVING FOR AIRPORT CLIENTS

Every client is unique and the set of challenges is never the same from one to the next. Neither are the solutions.

An independent financial advisory firm, Frasca’s senior staff comprises former investment bankers, rating/credit specialists, airport consultants and professional managers from major airport authorities. Frasca has served as financial advisor for over $25 billion of airport debt transactions since its inception.

We are problem solvers – not just experts in debt issuance. Helping our airport clients solve the complexities of managing their vital assets in volatile environments is what sets us apart from the competition.
