

## **The Port of Oakland Invites Applications for Airport Properties Manager**

The Port of Oakland is seeking an Airport Properties Manager for Oakland International Airport (OAK). The Manager of Airport Properties manages and administers the aviation real estate programs of the Port of Oakland in accordance with the mission, goals, and objectives as articulated by the Director of Aviation and approved by the Board of Port Commissioners. Reporting to the Assistant Director of Aviation, the Manager of Airport Properties ensures compliance with Federal, State and local ordinances pertaining to real estate activities, recommends actions in all aviation real estate development and management, and enhances the airport's real estate assets through effective management and leasing opportunities.

### **Minimum Requirements**

A bachelor's degree with major coursework in business, finance, real estate or closely related fields plus additional specialized courses or seminars in real estate areas. Five years of demonstrated experience in work directly associated with development/asset management in commercial real estate. This Airport specific classification requires each incumbent to complete and pass a Transportation Security Administration/Federal Aviation Administration (TSA/FAA) 10-year employment history verification, which will include fingerprinting and a Criminal History Records Check (CHRC) prior to being considered for this position. This status must be maintained for the duration of employment at the airport.

### **Salary & Benefits**

The salary range for this position is \$15,779 - \$19,548 per month. An attractive benefit package is offered that includes CalPERS pension retirement, and full medical, dental and vision coverage.
