

The City of Cleveland Invites Applications for Airport Director

The City of Cleveland is seeking an Airport Director for the Cleveland Regional Jetport (RZR). The Jetport Director independently manages all operations, maintenance, development and promotion/ marketing activities for the Cleveland Tennessee Regional Jetport (RZR). There is limited supervision associated with this position however, the Director reports major activities during periodic meetings. The Airport Director ensures compliance with relevant FAA and TDOT-AERO laws, rules, regulations and directives. Additionally, the Director monitors the activities of Jetport users to ensure compliance with minimum standards, rules and regulations, lease requirements and limitations, as well as Federal Aviation Regulations (FAR). The Director manages all daily operations of the Jetport conducting daily inspections of facilities and hangars, the Airport's fuel and lighting systems, runways and taxiways. An important part of the Director's position is to secure funding for airport development and maintenance, therefore the Director researches, applies for and secures federal, state and local grants. The Director provides maintenance support for the Airport's aviation weather reporting and airfield lighting systems, aircraft storage facilities, terminal building maintenance and grounds keeping and other related activities.

The Ideal Candidate

The ideal candidate for this position will be a graduate of an accredited college or university with a Bachelor's degree in Business or Public Administration or a related field. He or she will have at least 6 years' experience in airport management, construction, airport development or an equivalent combination of experience and training. The Jetport Director must possess a Private Pilot License and Aviation Fuel Management Certification.

Salary & Benefits

The salary range for this position is \$72,385 - \$108,469, depending on experience, with an attractive range of benefits including fully paid health, dental and vision insurance coverage, flexible spending program, city paid participation in the state retirement system and more.
